DONGWHA VIETNAM

" Living Close to Nature "

Dongwha Vietnam

proud to become a part on Dongwha's wood business map, Dongwha Vietnam focuses on manufacturing MDF and flooring, equipped with manufacturing facilities. Dongwha Vietnam is honored to be considered as the largest Dongwha's overseas factory with the wholly-owned investment in the 50(ha) construction project in Thai Nguyen Province, north of Vietnam. Remarkably, Dongwha Vietnam also makes an impression on the whole flooring industry to become the first oversea factory of Dongwha Group to launch laminate flooring production line.

Dongwha Vietnam's laminate flooring is categorized as two main product grades which are: standard grade and premium grade.

Dongwha  Flooring

BRAND IN VIETNAM

Flooring **SANUS**

The superstar of Dongwha's Vietnam, is the official brand name for premium laminate flooring product. Besides its outstanding characteristics such as: nano silver surface, real texture layer, excellent moisture resistance, SANUS promises to bring a surprise to the whole wood based flooring industry with its Super EO - top grade eco-friendly Non Added Formaldehyde core board with admirable waterproofing capability. SANUS is not just a flooring product or home interior, SANUS's mission is to save consumers' health, to create a nature-like living space for people.

Flooring **NATUS**

Dongwha Vietnam's standard laminate flooring product assures to be the Korea's NO.1 laminate flooring in Vietnam market. With a variety of advantageous features including: Nano Silver technology with Bio-ceramic coated surface, decorative layer, eco-friendly HDF core, unclick system and excellent water resistance. NATUS is totally confident to stand on the market with many other competitive brand names.

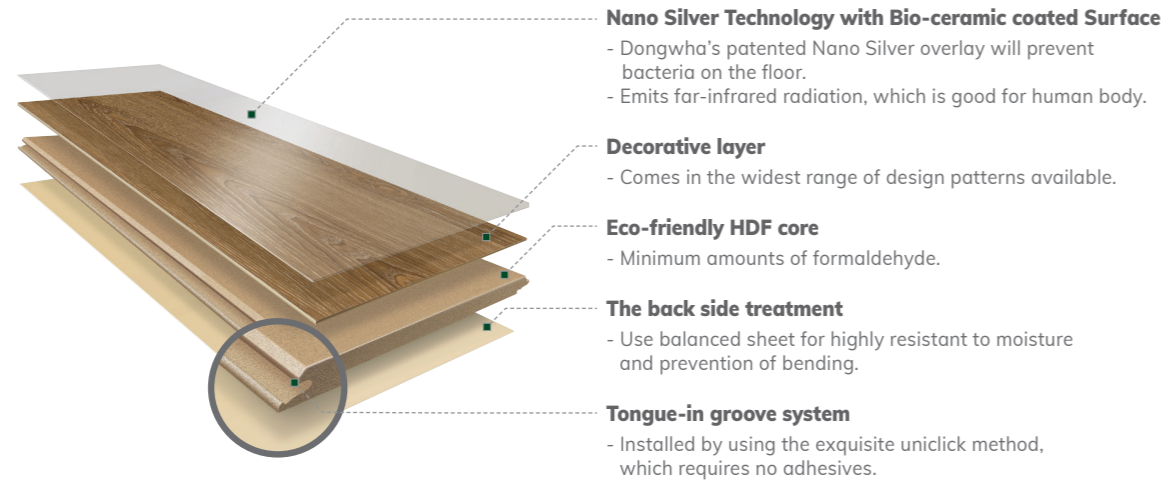

Wallcovering **DIZAINWALL**

Dizainwall of Dongwha is honored to usher in a new era for the wooden wall material industry, as the first wooden wallcovering product in Korea. Dizainwall makes impressions with its impressive collection of marble type and solid wood type and enhances the luxury and elegance of the living space with a rich range of design patterns. With eco-friendly finishing material which meets the construction standards for 'health-friendly housing' and completely flame-retardant features, it is Dongwha's happiness to bring you and your family a differentiated and luxurious space of living.
